

Guild Membership Change Form

Students are required to make a selection on their level of guild membership via the following steps within MyInfo (<http://www.murdoch.edu.au/students/myinfo/>) Change Enrolment Details > Self Enrolment Steps > Services.

Once a student has made their selection, changes can be made within MyInfo up until the commencement of the relevant semester/trimester. After this date the Guild Services question will no longer appear within MyInfo.

Use this form if you wish to change your guild membership status from the selection that you have previously made in MyInfo, only if you can no longer access the Services question within MyInfo.
